

END OF LIFE NOTIFICATION

EOL-SSR-231218

This End-of-Life Notification serves to inform the Purchaser and Consumer of the discontinued availability of the Sensata part numbers listed herein in accordance with the described timeline.

Issue Date: December 18th, 2023

Effective Date: January 1st, 2024

Subject:

End of Life notification of selected part numbers of the Sensata - Crydom Solid State Relay Product Line.

Scope:

Sensata - Crydom is discontinuing sales of selected solid state relays listed in **Table 1** in accordance with the described timeline.

Last Time Buy Date:

These items have been granted a 6-month last time buy period. Orders will be accepted until June 28th, 2024; for shipment no later than October 31st, 2024.

Alternative Products/Models:

Alternatives for each part number are available in Table 1 in accordance with the following replacement types:

Exact – with the exact same form, fit and function as the original item, so no additional considerations are needed when replacing the original item.

Close equivalent – very similar to the original item, but there might be some slight differences in some of the specifications, so some considerations could be necessary when replacing the original item.

Similar – with similar specifications compared to the original item, but it might be in a different form, fit and/or function, so additional considerations must be taken when replacing the original item.

Sensata values your business, and we regret any inconvenience this may cause. We remain at your disposal for any support you should need.

Jesus Miranda
SSR Product Manager (Industrial)
Sensata Technologies
